

# Sound/vocal performance by Yonatan Rukhman

live performance

Tuesday, 4.9.2018  
20:30 - 22:00

Creating electronic soundscapes from improvisation and adaptation, the performance unites synthesized sound with live instruments and vocals.

Original compositions are being dismembered and rearranged in a way that creates a unique experience for the here & now. The result is modulated through the emotion of the moment.

Yonatan Rukhman works in a wide range of musical genres in Israel & Europe. With a classical background, he has witnessed the transformation of analog into digital and has experienced both in composition and research.

His latest single is Dimdumim: <https://youtu.be/1I9aVeHUGX8>
